INTRODUCTION

The Gemini 105 Mc Catamaran is the perennial best selling cruising catamaran. It has great accommodations with light and airy spaces and good sailing performance all at an affordable price.

The Gemini 105 Mc has an efficient hull shape, trusted kick up asymmetrical molded centerboards and rudders, an 18 inch draft and extremely manageable 14 foot beam. The Gemini 105 Mc interior and deck mold makes the boat strong, light and fast with great cruising amenities.

Accommodations feature the master queen cabin forward and two double cabins aft. The saloon has a dinette settee with a 3 piece table suitable for casual seating when closed or dining when open. The dinette table easily converts into a berth for two.

A large galley with opposing work surfaces, double sink, refrigerator and stove with oven and broiler.

Forward to Port is the head with counter space, washbasin and shower with an isolating door and two storage lockers.

The cockpit is designed for great seating with easy ingress and egress facilitated by normal sized steps to the deck. The cockpit is also easily enclosable with bug screen to isinglass as has been done on Wanderin' Star.

WANDERIN' STAR has all the 2004 Gemini 105 Mc standard features plus the following major options:

- Aft canvass Love Seat
- Davits
- Solar Panel
- Helm Seat
- Cockpit cushions
- Combination Screen & Isinglass Enclosure
- Air Conditioning 12,000 BTU
